Perhaps a poem is in order although when is it not?</p> <p>A barn is filled with chicken folk who lay the eggs all filled with yolk and cows and pigs and bales of hay an altogether fine place to play.</p> <p>It's where animals will come to sleep like horses, dogs, and geese and sheep The sheep stay warm. Their wool makes yarn. That's what you find in a barn.</p> <p>Oh I rather liked that one.</p>
	Howdy	VO		(2 nd time) I am thrilled that you have returned. There's something about a barn that just makes me want to tell a story.
	Howdy	VO		<p>3rd time</p> <p>Hello, I'm glad that you've come back today. so let's get started come on let's play.</p>

	Howdy	VO		Before we begin there is something you should know. By clicking on a numbered post you can tell me how many objects you want in the story. All in all it can get quite silly.

The Story. (There is no encouragement.)

#	Character	Type	Animation	Dialogue
	Howdy	VO		Well once upon a time in a barn not unlike this one there were some pigs, now how many were there? I forget.
	Howdy	VO		(If no click) -- Would you mind clicking on a number? I'd like to get on with the story.
	Howdy	VO		(After click) Thank you!
	Howdy	VO		As I was saying there were _____ pigs! Here they come!
	Howdy	VO		1
	Howdy	VO		2
	Howdy	VO		3
	Howdy	VO		4
	Howdy	VO		5
	Howdy	VO		6
	Howdy	VO		7
	Howdy	VO		8
	Howdy	VO		9
	Howdy	VO		10
	Howdy	VO		(If high- more than four) My that's a lot of pigs!
	Howdy	VO		(If Low) Thank you for not cluttering.
	Howdy	VO		Well, there were all of these pigs and of course they were hungry as pigs often are. And they wanted something to eat. There were some apples but ... Well I forget, how many apples were there?

#	Character	Type	Animation	Dialogue
	Howdy	VO		(If no click)How many apples do you think there should be? If you click on a number we'll find out.
	Howdy	VO		(After click -- COUNT see above)
	Howdy	VO		(If number is lower than number of pigs.) Oh well I guess they could share
	Howdy	VO		If higher -- Oh goody! Extra apples, thank you!
	Howdy	VO		If the same number -- perfect each pig gets one apple.
	Howdy	VO		Well these pigs, being pigs weren't just happy with apples. They kept shouting "We want More! We want more! So of course not wanting to offend our guests we gave them more. I believe in hospitality. there was some corn available. How much corn? You tell me.
	Howdy	VO		THE COUNT
	Howdy	VO		This story is getting a little too corny for my taste. lets move on.
	Howdy	VO		Perhaps a large box of corn flakes was in order
	Howdy	VO		Well by now the pigs had more than enough food and as you can see the barn was getting quite messy. But the pigs were not done. "We want more!" They yelled. "We want more!" Of course if wanted more.... let's pick a high number and give them a lot more
	Howdy	VO		(If no click) Pick a big number so we can satisfy our guests.
	Howdy	VO		(The count) of apples and or corn.
	Howdy	VO		(If small) Well that will have to do.
	Howdy	VO		(If Large) That will certainly make them happy!

. #	Character	Type	Animation	Dialogue
	Howdy	VO		Suddenly, the pigs realized that they were in the wrong barn and that they were late for dinner! So off they ran in search of another meal. Without so much as saying thank you.
	Howdy	VO		(count the pigs as they leave)
	Howdy	VO		Tsk Tsk Tsk And the moral of the story is. Apples and Corn make for fine pig food but the bottom line is -- Pigs are rude. So when getting a meal either small or big Say please and thank you. Don't be a pig.

Reward

	Howdy	VO		Whew! that was quite story if I do say so my self. And I do say so myself. Here's book for you to read when you leave the barn.
	Howdy	VO		I hoped you like that story. Why don't you take this book to read when you leave the barn.
	Howdy	VO		Well I enjoyed telling that one! Oh look here's a book. You can take it with you when you leave.
